

MMSU's Commitment

Take an active role in protecting and promoting sustainable use of terrestrial ecosystems, responsible land use, and biodiversity conservation.

SDG 15.2.6 · Sustainable management of land for tourism (educational outreach)

Offer educational programme/outreach for local or national communities on sustainable management of land for tourism.

Evidence year: 2025 (calendar year), with continuing implementation 2024–2026

DRAFT. No 2025 community training on sustainable land management for tourism was found. The items below are existing sites and roles that support the question; submit them only if the Extension Directorate confirms a community programme (audience, dates, free access).

No 2025 item was found for this indicator. The material below is from before 2025 or from 2026 and, as far as the records show, is still in place.

Continuing implementation

Policies and programmes that began before 2025 and continue to be implemented, with 2024 and 2026 activities that show the programme is ongoing. THE accepts policies that are already in place.

Biodiversity Conservation Learning Center and Leisure Park Is Enriched with 28 Native Tree Species

Continuing implementation · since 2023

On January 13, 2023, MMSU planted 120 more seedlings of 28 native tree species and two bamboo species at the Biodiversity Conservation Learning Center and Leisure Park on the Main Campus, led by then President Shirley C. Agrupis with administrators, faculty, staff and students. The park is used as a field laboratory for classes and was identified for development into a health and wellness tourism hub, a plan endorsed by the provincial government and aligned with the Health and Wellness Complex of the College of Medicine.

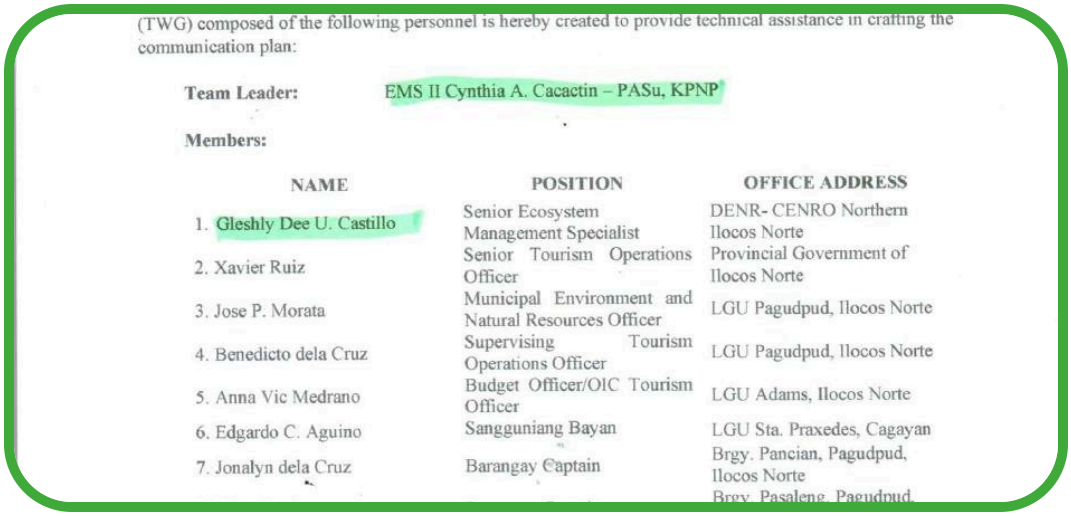

The planting continues a tradition that began in 2017 with the Green Wall project on the Batac campus and extends to the Nagbacsan site and the Currimao, Dingras and Laoag campuses, as the university's contribution to the provincial "Green Wall of Ilocos Norte" and the National Greening Program of the Department of Environment and Natural Resources.

7. Jonalyn dela Cruz	Barangay Captain	Brgy. Pancian, Pagudpud, Ilocos Norte
		Brgy. Pasaleng, Pagudpud,

Document: DENR-PENRO Ilocos Norte Special Order No. 2023-024 (29 March 2023) naming Dr. Arlene L. Gonzales of MMSU to the KPNP Technical Working Group.

Through DENR-PENRO Ilocos Norte Special Order No. 2023-024, dated March 29, 2023, Dr. Arlene L. Gonzales of MMSU was named a member of the Technical Working Group that prepares the Communication Plan of the Kalbario-Patapat Natural Park (KPNP), a protected area in Ilocos Norte. The group, led by the KPNP Protected Area Superintendent, brings together DENR offices, the Provincial Government of Ilocos Norte, the LGUs of Pagudpud and Adams in Ilocos Norte and Sta. Praxedes in Cagayan, barangay officials and Northwestern University.

The Communication Plan supports the goal of the KPNP Protected Area Management Plan to adopt and carry out effective information and education campaigns for biological diversity conservation and for the promotion of the protected area as a major ecotourism destination.
