15 LIFE ON LAND

THE STORY

Land stewardship made public: forest and farm, coast and wildlife, in events open to students, farmers and partners.

MMSU'S COMMITMENT

Take an active role in protecting and promoting sustainable use of terrestrial ecosystems, responsible land use, and biodiversity conservation.

Parambak ditoy MMSU 2025 Showcases Extension Technologies for Farmers

1. **THE EVENT**
   The 7th Parambak ditoy MMSU closed the 47th Foundation Anniversary, showcasing how extension and research programmes support community development and agricultural innovation.

2. **WHO TOOK PART**
   37 exhibitors, including ATI-Ilocos learning sites, Magsasaka Siyentista, Balik-Probinsya beneficiaries and LGUs, with the Provincial Government, NGOs, farmer leaders and entrepreneurs.

3. **WHAT HAPPENED**
   Participants harvested fresh vegetables at the President's Farm, 17 new Extension partners were recognised, and the Research Directorate presented off-season tomato and shallot, Bolinao chicken, indigenous vegetables and black garlic.

2 JUL 2025 · UNIVERSITY FOREST RESERVES, PAYAO & MABALENG, BATAC

CAFSD Graduands Plant Native Trees and Bamboo in the University Forest Reserves

1. **THE EVENT**
   About 230 CAFSD graduating students planted trees and bamboo, led by the CAFSD OIC-Dean and the 2025 Graduating Class Student Council with the MMSU Bamboo R&D Center.

2. **WHAT WAS PLANTED**
   120 guijo and yakal seedlings (native dipterocarps from the MMSU Central Nursery) in Payao, and 130 kawayan tinik, machiku and giant bamboo propagules from the Bamboo Nursery in Mabaleng.

3. **WHO BACKED IT**
   President Manzano commended the class for leaving a "lasting green footprint"; a CAFSD alumnus represented the Provincial Government of Ilocos Norte.

JUNE 2025 · BRGY. MAGLAOI, CURRIMAO, ILOCOS NORTE

MMSU Plants 250 Mangrove Propagules in Currimao on World Environment Day

1. **THE EVENT**
   For World Environment Day, MMSU planted 250 mangrove propagules along the Maglaoi coast to restore degraded shorelines and strengthen climate resilience. The Sustainability and Futures Thinking Office led it with LGU Currimao.

2. **WHO TOOK PART**
   Faculty, education support personnel and students joined DENR representatives, barangay officials, local fisherfolk organisations and community members.

3. **WHY MANGROVES**
   SFT Director Dr. Arlene Gonzales: mangroves filter plastic waste before it reaches the sea, absorb carbon, protect against erosion and shelter marine life.

24 JUL 2025 · CURRIMAO BEACHFRONT

Green Wall Program: Coconut Seedlings for the Currimao Coastline

1. **THE EVENT**
   MMSU planted coconut seedlings along the Currimao beachfront under its Green Wall Program, to promote environmental sustainability and coastal resilience amid growing climate threats.

2. **THE SUPPORT**
   1,000 seedlings were donated by the Philippine Coconut Authority; the President, PCA Ilocos Norte's Rose Ann Cabaloan, and university officials and employees took part.

3. **THE MESSAGE**
   CASAT OIC-Dean Pilar Carolyn Pascual highlighted the university's commitment to protecting coastal ecosystems through the Green Wall project.

19 NOV 2025 · NORTHWESTERN UNIVERSITY, LAOAG CITY

MMSU Promotes Regenerative Farming at the 2025 NSTW Forum

1. **THE EVENT**
   MMSU Research Director Dr. Dionisio Bucao was resource speaker at the forum series of the 2025 National Science and Technology Week.
2. **THE MESSAGE**
   He presented regenerative farming approaches that restore soil health, biodiversity and ecosystem function.
3. **THE TAKEAWAYS**
   Carbon sequestration, improved soil fertility, water conservation and climate resilience through natural processes, and how regenerative farming differs from conventional practice.

President's Farm Field Day Showcases Climate-Resilient Rice Varieties

1. **THE EVENT**
   The MMSU Extension Directorate and PhilRice Batac held the President's Farm Field Day: A Technology Showcase.
2. **WHO TOOK PART**
   Farmers and farmer-leaders, agricultural technicians from Ilocos Norte LGUs, BS Agriculture students, and MMSU and PhilRice rice specialists.
3. **WHAT THEY SAW**
   Eight rice varieties under wet-season conditions: four newly released by PhilRice, two public hybrids, and two for saline and rainfed fields, e.g. NSIC Rc 686 (Salinas 39) and NSIC Rc 650 (Sahod Ulan 36).

Contest poster with the animal-photography ethical guidelines (deadline 30 May 2025).

Winner Chris Jeremiah C. Antonio receives his certificate from Dr. Arlene L. Gonzales, Chief of Sustainability and Futures Thinking.

ENTRIES TO 30 MAY 2025 · OFFICE OF SUSTAINABILITY AND FUTURES THINKING

2025 International Day for Biological Diversity Wildlife Photo Contest

1. **THE EVENT**
   For the 2025 International Day for Biological Diversity, MMSU held a Wildlife Photo Contest inviting the university community to document local wildlife and promote awareness of biodiversity conservation.
2. **THE ETHICS**
   Entrants followed animal-photography guidelines: no flash or loud noises, no bait or food lures, follow local laws and warning signs, keep clear of nesting sites and sensitive habitats, caption honestly.
3. **THE WINNER**
   Chris Jeremiah C. Antonio (3rd-year BA Communication) received a Php 1,000 gift voucher and certificate from Dr. Arlene L. Gonzales, Chief of Sustainability and Futures Thinking.

CAFSD Graduating Class 2026 enrichment planting at the MMSU Forest Reserve, Payao, 1 June 2026. (Photo: MMSU STRATCOM)

STANDING PROGRAMME · JULY 2024 · JULY 2025 · JUNE 2026

Graduation Tree Planting Is a Standing MMSU Programme, 2024 to 2026

Ongoing programme · July 2024, July 2025, June 2026

1. **2024 · SALINGED PARK**
   9 Jul: the BS Forestry graduating class enriched Salinged Park, the university's ecological park, with igem-dagat, balitbitan, bitaog, Cassia javanica and banaba.

2. **2025 · FOREST RESERVES**
   2 Jul: 230 CAFSD graduands planted guijo, yakal and bamboo in the Payao and Mabaleng reserves.

3. **2026 · ENRICHMENT PLANTING**
   1 Jun: the Class of 2026 replanted the Payao reserve with 50 banaba, 30 yakal saplungan and 20 guijo seedlings, following RA 10800 (Graduation Legacy for the Environment Act).

WHERE THE STORY LANDS

From a graduating class planting guijo and yakal, to a field day of climate-resilient rice and a wildlife photo contest, MMSU's events invite students, farmers and communities into the care of forests, farmland, coasts and wildlife. Several are annual traditions.
