

MMSU's Commitment

Take an active role in protecting and promoting sustainable use of terrestrial ecosystems, responsible land use, and biodiversity conservation.

SDG 15.4.2 · Policy on plastic waste reduction

Have a policy on reducing plastic waste on campus.

Evidence year: 2025 (calendar year)

MMSU Commits to the DENR-EMB Region I Regional Ecology Center

On July 1, 2025, in Bauang, La Union, MMSU signed a memorandum of commitment with the DENR–Environmental Management Bureau Region I and other government agencies, private sector representatives, non-government organizations and academic institutions for the Regional Ecology Center. MMSU was represented by Vice President for Planning and Strategic Foresight Mee Jay Domingo and Campus Sustainability Chief Ronnel Pagurayan.

Under the commitment, MMSU supports improved solid waste management under Republic Act 9003 (Ecological Solid Waste Management Act) and Republic Act 11898 (Extended Producer Responsibility Act) through education and public information campaigns and the development of informational materials.

Student Advocates Hold Monthly Clean-Up Drive on Campus

MMSU Advocates for Cultural Development clean-up drive on campus, 24 October 2025. (Photo: MMSU)

On October 24, 2025, the MMSU Advocates for Cultural Development (MACD), an organization representing students from indigenous peoples' communities, held its monthly clean-up drive, "iPaglilinis," around the university grounds, the Student Center and parts of the University Lagoon. About 30 bags of waste were collected and segregated into plastic, paper and tin materials.
