MMSU's Commitment

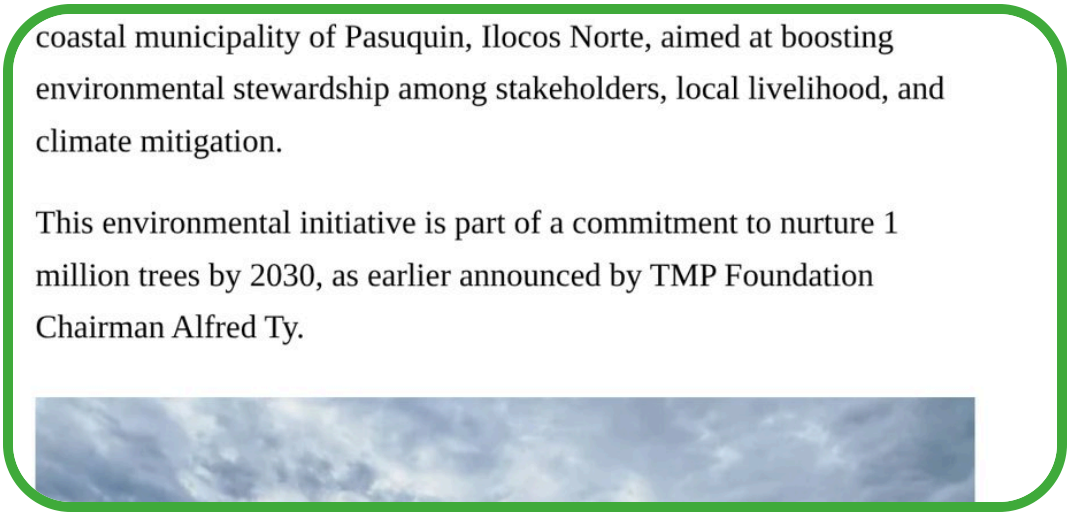

Take an active role in protecting and promoting sustainable use of terrestrial ecosystems, responsible land use, and biodiversity conservation.

SDG 15.3.5 · Collaboration for shared land ecosystems

Collaborate with the local community to maintain shared land ecosystems.

Evidence year: 2025 (calendar year)

MMSU, Pasuquin LGU and TMP Foundation Join to Restore a Mangrove Forest

coastal municipality of Pasuquin, Ilocos Norte, aimed at boosting environmental stewardship among stakeholders, local livelihood, and climate mitigation.

This environmental initiative is part of a commitment to nurture 1 million trees by 2030, as earlier announced by TMP Foundation Chairman Alfred Ty.

Capture of The Manila Times report of 10 December 2025 on the Pasuquin mangrove planting and agreement (photo in article: TMP Foundation).

In late 2025, Mariano Marcos State University entered into a tripartite agreement with the Municipal Government of Pasuquin, Ilocos Norte, and the Toyota Motor Philippines (TMP) Foundation for the conservation of a degraded two-hectare mangrove forest, a National Greening Program site in Barangay Davila, Pasuquin.

The agreement was signed at the close of a planting activity in which about 110 volunteers, including members of the MMSU College of Industrial Technology, DENR-CENRO Bangui, the Municipal Environment and Natural Resources Office and residents of Barangay Davila, planted 1,750 mangrove seedlings. Over two years, the partners will plant 3,500 seedlings of the native mangrove species lapis-lapis and arinaya to strengthen the community's natural defense against climate-related impacts and enhance biodiversity.

MMSU and DENR Region 1 Strengthen Partnership for Mangrove Conservation

Dr. Arlene L. Gonzales at the MMSU–DENR Region 1 dialogue on mangrove conservation, ILAARRDEC.

MMSU and DENR Region 1 officials during the dialogue at ILAARRDEC.

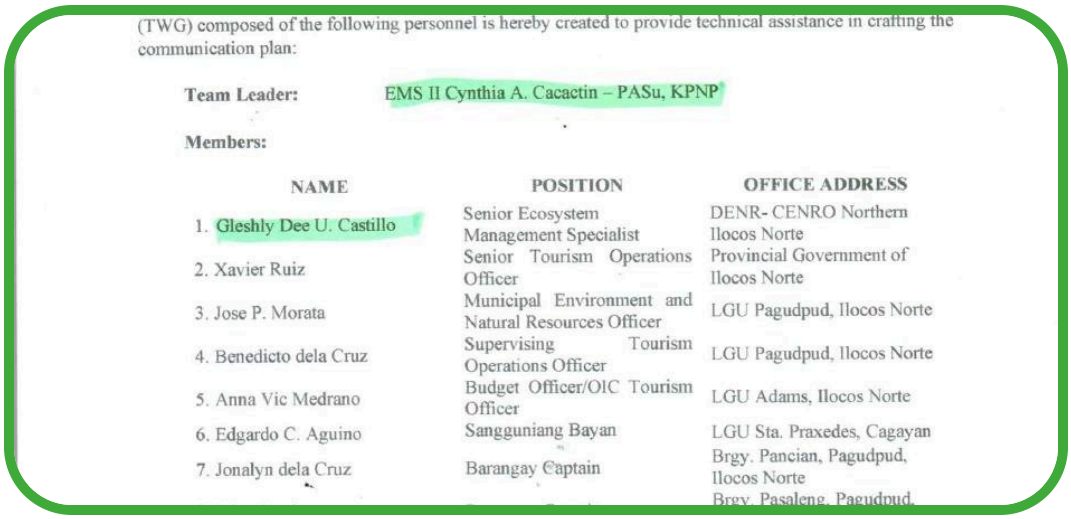

MMSU, in partnership with the Department of Environment and Natural Resources (DENR) Region 1, convened a dialogue at ILAARRDEC to advance mangrove conservation and coastal resilience in the Ilocos Region through science-based and community-centered approaches. Central to the dialogue was the DOST-PCAARRD-funded nature-based solutions mangrove project led by Dr. Arlene Gonzales.

DENR officials pledged technical support and active participation in restoration, monitoring and evaluation activities, solidifying the partnership formalized through a memorandum of understanding signed in October 2024. The same project brought representatives of Currimao, Pasuquin, Badoc and Burgos, with DENR-PENRO, to MMSU's mangrove propagation seminar-workshop on October 27–28, 2025.

MMSU Expert Serves on the Kalbario-Patapat Natural Park Technical Working Group

(TWG) composed of the following personnel is hereby created to provide technical assistance in crafting the communication plan:

Team Leader: EMS II Cynthia A. Cacactin – PASu, KPNP

Members:

NAME	POSITION	OFFICE ADDRESS
1. Gleshly Dee U. Castillo	Senior Ecosystem Management Specialist	DENR- CENRO Northern Ilocos Norte
2. Xavier Ruiz	Senior Tourism Operations Officer	Provincial Government of Ilocos Norte
3. Jose P. Morata	Municipal Environment and Natural Resources Officer	LGU Pagudpud, Ilocos Norte
4. Benedicto dela Cruz	Supervising Tourism Operations Officer	LGU Pagudpud, Ilocos Norte
5. Anna Vic Medrano	Budget Officer/OIC Tourism Officer	LGU Adams, Ilocos Norte
6. Edgardo C. Aguino	Sangguniang Bayan	LGU Sta. Praxedes, Cagayan
7. Jonalyn dela Cruz	Barangay Captain	Brgy. Pancian, Pagudpud, Ilocos Norte
		Brgy. Pasaleng, Pagudpud,

Document: DENR-PENRO Ilocos Norte Special Order No. 2023-024 (29 March 2023) naming Dr. Arlene L. Gonzales of MMSU to the KPNP Technical Working Group.

Through DENR-PENRO Ilocos Norte Special Order No. 2023-024, dated March 29, 2023, Dr. Arlene L. Gonzales of MMSU was named a member of the Technical Working Group that prepares the Communication Plan of the Kalbario-Patapat Natural Park (KPNP), a protected area in Ilocos Norte. The group, led by the KPNP Protected Area Superintendent, brings together DENR offices, the Provincial Government of Ilocos Norte, the LGUs of Pagudpud and Adams in Ilocos Norte and Sta. Praxedes in Cagayan, barangay officials and Northwestern University.

The Communication Plan supports the goal of the KPNP Protected Area Management Plan to adopt and carry out effective information and education campaigns for biological diversity conservation and for the promotion of the protected area as a major ecotourism destination.

Indigenous Food Plant Foodscapes Established with Vintar and San Nicolas Partners

Partners receive indigenous food plant planting materials for the Community Foodscapes and Seedbanks, World Food Day 2025.

In October 2025, the MMSU Extension and Research Directorates partnered with local government units and schools to establish Community Foodscapes and Seedbanks for Indigenous Food Plants. Held at Eladio V. Barangan Memorial Elementary School in San Nicolas, Ilocos Norte, the activity brought together officials of Barangays San Roque and Parut, Vintar, the Municipal Agriculture Office of Vintar, agricultural extension workers, school leaders and community representatives as the second batch of partner sites.

The partner communities maintain the foodscapes as shared seedbanks and learning gardens, with planting materials and technical assistance from MMSU, to conserve indigenous food resources such as kapaskapas, alokon, pako, dalayap, wild singkamas and roselle. They join existing foodscape sites in Sarrat and Batac.

A New Bambusetum in Barangay Aglipay, Pinili

Participants of the bamboo propagation, nursery and plantation management training, Brgy. Aglipay, Pinili, 2025. (Photo: MMSU)

During a two-day bamboo production training in 2025, the MMSU Extension Directorate and CAFSD, with Barangay Aglipay, Pinili, and the support of ILAARRDEC, worked with 46 farmers, local leaders and community members to establish a new bambusetum, a collection of bamboo species, in Barangay Aglipay. The training covered bamboo propagation, nursery establishment and plantation management.
