FROM : DR. SHIRLEY C. AGRUPIS
President

DATE : 24 April 2023

SUBJECT : "No Bottled Water" Policy

In order to help eliminate plastic waste on campus, bottled water will not be served during Administrative Council meetings, effective immediately. You are encouraged to implement a similar policy in your own offices.

Please bring your own water containers during AdCo meeting.

Document: Office of the President Memorandum No. 23-189, "No Bottled Water" Policy, 24 April 2023.

MMSU reduces plastic waste under its Integrated Waste Management Program, approved by the Board of Regents in 2009 and amended in 2015, and its revised Integrated Pollution and Waste Management Program. The program prohibits Styrofoam for serving or packing food in the university Food Service Unit and limits the use of plastics, and a policy promulgated on February 11, 2016 eliminates Styrofoam and plastic as secondary packaging materials in favour of paper bags, cartons, eco-bags and reusable containers. The University Waste Management Committee develops, reviews and monitors these rules, and the food service unit requires customers dining out to bring their own food containers.

The Office of the President reissues the "No Bottled Water" Policy each year: Memorandum No. 22-148A of April 24, 2022 and Memorandum No. 23-189 of April 24, 2023 stop the serving of bottled water at Administrative Council meetings, ask members to bring their own water containers, and encourage all offices to adopt the same policy. In October 2024 the College of Agriculture, Food and Sustainable Development banned plastic bottled water in its auxiliary

buildings, and on July 1, 2025 MMSU signed a memorandum of commitment with DENR-EMB Region I for the Regional Ecology Center to support solid waste management under Republic Act 9003 and the Extended Producer Responsibility Act (Republic Act 11898).
